OLD BUSINESS:

A. Huscroft Fund Allocation recommendations **Jana Ransom**

1. Jana Ransom reviewed Council's charge to the HPC and CAC: of the approximately \$200,000 that was given to the City of Costa Mesa, \$135,000 was given to the Veteran's Memorial project. The Council wishes to receive the recommendations of the HPC and CAC for how best to use the remaining \$65,000. Committee discussed the following possibilities:

1. Use as match for grant application (Goddard) – cited “Saving America’s treasures” grant which requires a 1:1 match and deadline to apply is February 1, 2005. Jana noted that there are a couple of other opportunities out there that City has inquired about and appears to be well positioned for. Jana also pointed out that the Committee’s remaining Signs of Support money could also be dedicated to this purpose.
2. Provide funding to Historical Society for needed equipment and Adobe for restoration (Goddard/McQueen). \$10-15,000 is needed to create a “clipping file”. Historical Society also needs Microfilm machine, shelves, book carts and a computer server. The restoration of the Adobe cost is estimated to run \$80,000.
3. Develop and install a recognition piece at Fairview Park for the area’s “first people” (McQueen).
4. Develop and install a recognition piece Airfield History (Gardner)
5. Develop and install recognition pieces of significant Costa mesa events and things at/near the locations of same (all), develop supporting brochure.
6. Commission several murals depicting Costa Mesa history around the City.
